

Does your life make you feel that you're on a treadmill?

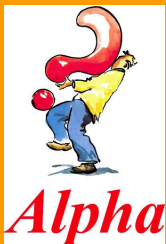

Daily work, daily frustrations and trying to survive
sometimes too much?

Do you wonder if there is something more... something
missing... is there more to LIFE?

Share your questions & insights with other business
people and see what they have found.

These and many other questions are explored in depth on
the **Business Alpha** course.

At Business Alpha we believe that, particularly for business people,
a life of balance, achievement and fulfilment is attainable.

Come to
Business Alpha
