

# "WHAT'S GOING ON?"

Come to Business Alpha to find out more!

*Alpha*

If God did exist what would you ask?

"Is there really *life* after *death*?"

"Where did the *Bible* come from?"

"Why is there *so much evil* in the *world*?"

"If God made us, who *created* God?"

"Isn't it *good* enough to just live a *good* life?"

"Don't all *religions* lead to God?"

"Why is there so much *suffering*?"

"Can we really expect to find any *answers*?"

Share *your* questions & insights over *breakfast*

No question is too trivial or intimidating
